

TRAINING AND SKILLS DEVELOPMENT

Introduction

Engeli's training and skills development team, **LEAP Entrepreneurial Development Pty Ltd**, a Seta accredited training provider, is a leading implementer of Enterprise and Skills Development solutions.

Methodology

The Engeli training and skills development programme design follows a 3 pronged approach underpinned by a strong mentoring / coaching programme and can be depicted as:

Some of the Engeli training and skills development offerings cover both accredited and non-accredited programmes including:

NON-ACCREDITED SKILLS PROGRAMMES	ACCREDITED PROGRAMMES
• Generate Your Business Idea	• New Venture Creation NQF Level 2
• Start Your Business	• New Venture Creation NQF Level 4
• Improve Your Business	• Leadership Development
• Expand Your Business	• Project Management
• Advance Your Business	• Training of Trainers
• Start Your Social Enterprise	• Training of Assessors / Moderators
• Start and Improve Your Coop Business	
• Cooperative Development Programmes	
• Management Development Programmes	

Engeli focuses on the development of both the entrepreneur and the enterprise and have thus built a significant portfolio of training offerings. We also remain agile in responding to specific market needs and have the competencies to develop tailor-made material and programmes for Enterprise, Supplier and Socio-Economic Development.
