

VALUE ADDED BBEE SOLUTIONS

Introduction

Engeli provides holistic business solutions to companies that:

- Translate to value added BBEE interventions
- Contribute positively to their bottom line
- Foster Economic Transformation

The Engeli Process

Our consulting services that assist in optimizing your company's BBEE scorecard include the following:

- Overall company BBEE strategy development for all elements of the BBEE Score card (taking cognisance of the company's broad business strategy, market focus and the competitiveness of the environment within which the company operates)
- Collection and analysis of current BBEE information resulting in a preliminary BBEE Score
- Propose cost effective and relevant solutions on all elements to obtain the desired BBEE score
- Provision of BBEE tools to assist with the implementation of the BBEE Programmes
- Build capacity within your company to manage BBEE processes
- Undertake BBEE Pre-audits
- Compilation of the BBEE verification file for the Verification Agency
- Handle disputes with the BBEE Verification Agency, where required
- Assist your company with migration to the amended BBEE Codes of Good Practice

Solutions

Engeli's services go beyond the "normal" consulting route – we develop and implement business specific BBEE interventions in the elements of Ownership, Skills Development, Enterprise and Supplier Development and Socio Economic Development.
